I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: My Compounded medication, tailored specifically for my needs, has been the my medication. That finally relieved my severe menopausal symptoms of hot flashes, depression, mood swings, sleeplessness & anxiety. Compounding pharmacies are worth their weight in gold !!
